**WHEREAS**, INTERVEST Construction Company of JAX, Inc. ("Petitioner"), having obtained written consent to the establishment of the District by the owner of 100 percent (100%) of the real property to be included in the District, petitioned the St. Johns County Board of Commissioners (the "County") to adopt an ordinance establishing the Sweetwater Creek Community Development District (the "District") pursuant to Chapter 190, Florida Statutes (2005); and

**WHEREAS**, Petitioner is a Florida corporation, authorized to conduct business in the State of Florida; and

**WHEREAS**, all interested persons and affected units of general-purpose local government were afforded an opportunity to present oral and written comments on the Petition at a duly noticed public hearing conducted by the County on May 16, 2006; and

**WHEREAS**, upon consideration of the record established at that hearing, the County determined that the statements within the Petition were true and correct, that the establishment of the District is not inconsistent with any applicable element or portion of the state comprehensive plan or the local government comprehensive plan, that the land within the District is of sufficient size, is sufficiently compact and sufficiently contiguous to be developable as a functionally interrelated community, that the District is the best alternative available for delivering community development services and facilities to the area served by the District, that the services and facilities of the District will not be incompatible with the capacity and uses of existing local and regional community development services and facilities, and that the area to be served by the District is amenable to separate special-district governance; and
